

Guide to downloading Titles Registry PDF forms (for Windows)

Using web browser default PDF viewers to access Titles Registry PDF forms

Some default PDF viewers within browsers such as Google Chrome and Microsoft Edge do not support all of the javascript functions contained within Titles Registry PDF forms.

Customers who experience difficulties with a PDF form in their browser should follow the steps detailed below to download the PDF form and open it with a PDF application that supports javascript functions (such as Adobe Acrobat Reader).

Please note that Titles Registry forms are also available in Microsoft Word DOT format on the [Titles Registry forms](#) page.

Step 1 – Ensure suitable PDF Application Installed

Ensure that a suitable PDF application that supports the required javascript functions such as Adobe Acrobat Reader is installed on your computer (Adobe Acrobat Reader is available to download for free).

Step 2 - Save the file to your computer

Step 2(a) – Right click on the download link and left click the appropriate option

For Microsoft Edge:

- Right click on the download link for the Titles Registry PDF form
