

### **Extension of Tidal Stay**

On Tuesday 27 October, the Legislative Assembly passed the *Vegetation Management and Other Legislation Amendment Act 2009* (the Act). The Act included amendments to the *Land Title Act 1994* and the *Land Act 1994* to extend the stay on the registration of plans of survey with tidal land boundaries until 8 May 2010.

This extension until 8 May 2010 continues the operation of sections 431NA to 431NG of the *Land Act 1994* and sections 191A to 191F of the *Land Title Act 1994*.

Please note that departmental processes and procedures are being updated to ensure that the stay continues to operate until 8 May 2010.

We seek your cooperation in ensuring that all plans submitted to the department continue to meet the temporary stay provisions contained in the Cadastral Survey Requirements.

If you have any questions, please refer them to the Manager, Tidal Lands on (07) 3224 7343.
