PUBLIC NOTICE

Queensland Heritage Act 1992, Section 71(10)
Development by the State
‘Make safe’ works at Mount Morgan mine site

At the recommendation of the Queensland Heritage Council, contained in its notice to me (7 April, 2017), the proposed development to ensure State heritage listed buildings and infrastructure are safe to work around at the Mount Morgan Mine Site, Burnett Highway, is approved in accordance with the following document: Heritage Impact Statement prepared by Niche Environment and Heritage (3 November 2016).

For more information contact the Abandoned Mines Deputy Coordinator, Department of Natural Resources and Mines at abandonedmines@dnrm.qld.gov.au or phone 13 QGOV (13 74 68).

The Honourable Dr Anthony Lynham
Minister for State Development and Minister for Natural Resources and Mines
