

# Department of Natural Resources, Mines and Energy

## Explanatory notes

1. **Fees:** Stock route travel fees are prescribed in Schedule 2 of the *Stock Route Management Regulation 2003*.
2. **Contact name and number:** List accounts payable or Council Stock Route Officer
3. **Payment intervals:** Payments must be made at regular intervals *of not more than 3 months*, decided by the local government.
4. **If you use SRMS for issuing permits**, copies of these travel permits do not need to be returned to the department.
5. **If you do not use SRMS for issuing permits**, copies of any travel permits listed in this form are to be forwarded to the DNRME regional stock routes officer in your area listed below. Please do not return copies of these travel permits with payment.

### South Region

Stock Routes Officer

PO Box 864,  
Ipswich Q 4305

### Central and North Region

Stock Routes Officer  
Dept of Natural Resources, Mines and Energy  
PO Box 210  
Longreach Q 4730

The following applies when remitting stock route travel permit fees under section 187A of the *Stock Route Management Act 2002*.

Stock route travel fees	
<b>GST</b>	<ul style="list-style-type: none"><li>• Stock route travel fees <b>do not attract</b> GST</li></ul>
<b>How to remit fees</b>	<ul style="list-style-type: none"><li>• 50% of the fee is remitted to the address shown on page 1</li><li>• The balance (50%) is retained by local government and used for the administration, maintenance or improvement of the stock route network within the local government area*</li></ul>

For more information, contact:
Principal Project Officer – Stock Route Management Land and Native Title Services Department of Natural Resources, Mines and Energy PO Box 15216 City East Qld 4002 Email: <a href="mailto:StateLand@dnrme.qld.gov.au">StateLand@dnrme.qld.gov.au</a>

\* **Note:** Where a permit is granted on a non-declared stock route, the balance of the fees retained by council should be used to complement the principles and spirit of the Act. For example, fees may be used for spraying of weeds on roads, fencing or management of reserves.
