

Notice of entry to owner or occupier for boundary identification

S386V of the *Mineral Resources Act 1989*

This template is produced by the Queensland Department of Natural Resources, Mines and Energy to assist resource authority holders with a standard notice that is required prior to entry on land to comply with boundary identification purposes. This is a template only and is not an approved form. The resource authority holder is required to provide an appropriate notice prior to entry and comply with the requirements of section 386V and Schedule 1 of the *Mineral Resources Act 1989*
