

Notification of transfer of water injection, monitoring, observation or supply bore

*Mineral Resources Act 1989,
Petroleum & Gas (Production and Safety) Act 2004,
Petroleum Act 1923
Form MMOL- 43 Version 1*

Please use a pen, and write neatly using **BLOCK LETTERS**. If there is insufficient space, provide attachments. Cross where applicable. Further information and copies of forms can be obtained from the Department of Natural Resources, Mines and Energy or from the website: <https://www.business.qld.gov.au/industries/mining-energy-water/resources>

Question 1 – Resource authority and transferor details

Detail the permit number and principal holder of the resource authority on which the water monitoring, water observation or water supply bore to be transferred is located.

Resource authority type	Resource authority number the water injection, monitoring, observation or supply bore is located on	Principal holder name
Authority to prospect		
Petroleum lease		
Mineral development licence		
Mining lease		
Water monitoring authority		

Question 2 Bore Type

Water monitoring bore	<input type="checkbox"/>
Water observation bore	<input type="checkbox"/>
Water supply bore	<input type="checkbox"/>
Water injection bore	<input type="checkbox"/>

OFFICE USE ONLY		
Received at: _____ Received by: _____ Date: / / Time: AM/PM	Fees paid: Total \$ _____ Receipt Number: _____	Application entered onto MyMinesOnline Y N Name: _____ Signed: _____ Date: / / Activity No: _____
Payment Method: Cash <input type="checkbox"/> Credit Card <input type="checkbox"/> Cheque <input type="checkbox"/>		

Question 3

Transfer details	
1. Transfer of water monitoring bore to landowner	<input type="checkbox"/>
2. Transfer of water monitoring bore to the State	<input type="checkbox"/>
3. Transfer of water monitoring bore to holder of mineral development licence, mining lease or water monitoring authority	<input type="checkbox"/>
4. Transfer of water observation bore to the State	<input type="checkbox"/>
5. Transfer of water injection, water observation bore or water supply bore to landowner	<input type="checkbox"/>
6. Transfer of water observation bore to petroleum tenure or water monitoring authority holder	<input type="checkbox"/>

Question 4

Proposed Transferee details:

State of Queensland

Details of Landowner (owner of the land on which the bore is located)

Name:

Address:

Town/City:

State:

Postcode:

Details of Resource Authority to which the bore is being transferred

Mineral Development Licence Number:

Mining Lease Number:

Water Monitoring Authority Number:

Authority to Prospect

Petroleum Lease

If transferring a water bore to the holder of an Authority to Prospect, Petroleum Lease, Mineral Development Licence, Mining Lease or Water Monitoring Authority, the bore *must* be in the area of the Authority to Prospect, Petroleum Lease, Mineral Development Licence, Mining Lease or Water Monitoring Authority.

Holder details

Name:			
Company:			
Address:			
Town/City:		State:	Postcode:
Country:		Phone no.:	
Mobile no.:		Email:	

**Question 5
Additional Information**

<ul style="list-style-type: none"> Location (in geographic coordinates using GDA2020 datum) and other relevant details of the water injection/monitoring/observation/supply bore (such as primary and secondary name) to be transferred are provided as "Attachment 1". 	<input type="checkbox"/>
<ul style="list-style-type: none"> (Where applicable) Agent or power of attorney's written authority to act. 	<input type="checkbox"/>
<ul style="list-style-type: none"> (Where applicable) If the water observation bore or water supply bore was authorised to be drilled by a <i>Petroleum Act 1923</i> water licence, a copy of that licence. 	<input type="checkbox"/>
<ul style="list-style-type: none"> (Where applicable) Date the water injection bore, water observation bore or water supply bore was constructed, or the date that a petroleum well was converted to be this water injection bore, water supply bore or water observation bore. 	<input type="checkbox"/>
<ul style="list-style-type: none"> For a water injection bore, water observation bore or water supply bore located within the area of a petroleum tenure or water monitoring authority, administered under the <i>Petroleum and Gas (Production and Safety) Act 2004</i> — a statement signed by the holder(s) (or their agent or power of attorney) who is transferring the bore, that states: <ul style="list-style-type: none"> ○ if the bore has been drilled under section 282—section 282 has been complied with for the bore; or ○ if the bore has been converted from a petroleum well under section 283—section 283 has been complied with for the bore; 	<input type="checkbox"/>
<ul style="list-style-type: none"> For a water observation bore or water supply bore located within the area of a petroleum tenure or water monitoring authority, administered under the <i>Petroleum Act 1923</i> — a statement signed by the holder(s) (or their agent or power of attorney) who is transferring the bore, that states: <ul style="list-style-type: none"> ○ if the bore has been drilled under section 75K—section 75K has been complied with for the bore; or ○ if the bore has been converted from a well under section 75L—section 75L has been complied with for the bore; 	<input type="checkbox"/>
<ul style="list-style-type: none"> For a water monitoring bore authorised under the <i>Mineral Resources Act 1989</i> — a statement signed by the holder(s) (or their agent or power of attorney) who is transferring the bore, that states: <ul style="list-style-type: none"> ○ if the bore was constructed under section 334ZQ(1) of the Act —section 334ZQ(3) has been complied with for the bore. 	<input type="checkbox"/>
<ul style="list-style-type: none"> Signature of transferors is provided 	<input type="checkbox"/>
<ul style="list-style-type: none"> Signed consent of transferees is provided (not required if the transferee is the State) 	<input type="checkbox"/>

Has the notice been given less than 60 business days before the owner must decommission the bore?

Yes <input type="checkbox"/>	No <input type="checkbox"/>
------------------------------	-----------------------------

Question 6 – Signature of transferor/s

By signing you confirm that the relevant sections of the *Mineral Resources Act 1989*, *Petroleum and Gas (Production and Safety) Act 2004* and the *Petroleum Act 1923* and their associated regulations has been, or will be complied with, and that the information contained within this notification is true to the best of your knowledge. Pursuant to section 404D of the *Mineral Resources Act 1989*, section 813 of the *Petroleum and Gas (Production and Safety) Act 2004* and section 116 of the *Petroleum Act 1923*, a document containing information that is false or misleading may attract a penalty.

Signature		Signature	
Name		Name	
Position		Position	
Company		Company	

Question 7 - Consent of transferees to the transfer of the bore

I	(holder) of	Number	or (landowner) of
(address)			
agree to the transfer of the following in relation to a water monitoring/observation/supply bore, the subject of this notification, and accept			
(a) the control of, and responsibility for the bore;			
(b) the ownership of any works constructed in connection with the bore.			
Signed	_____	Date	/ /
Name of Witness	(Solicitor, Justice of the Peace or Commissioner for Declarations)		
Signature of Witness	_____	Date	/ /
NOTE: This must not be signed unless the transferor has provided the transferee a copy of the signed statement specific to the relevant Act as detailed under Question 5 of this form.			

Question 8 – Payment and attachments

Transfer fee (as prescribed)	<input type="checkbox"/>
Documents and consents required are attached (if applicable)	<input type="checkbox"/>

Disclaimer

The Queensland Government is collecting information provided on this form for the purposes of noting the transfer of water injection, monitoring, observation or supply bore and to maintain the public searchable register under the *Mineral Resources Act 1989* ('MRA'), *Petroleum and Gas (Production and Safety) Act 2004* ('P&G Act') or the *Petroleum Act 1923* ('PA1923'). This information is authorised by sections section 334ZZO, 334ZZP, 334ZZQ of the MRA, section 288, 288A, 290 of the P&G, section 75Q, 75S, 75QA of the PA1923 and section 197 of the *Mineral and Energy Resources (Common Provisions) Act 2014* (MERCPC). Some or all of this information may be provided to other agencies of the Queensland Government for the issuing of an environmental authority, to make register searches, extracts or copies under section 199 of the MERCPC. Some of this information may be provided to Queensland Treasury, the Scheme Manager under the *Mineral and Energy Resources (Financial Provisioning) Act 2018* (MERFP Act), or any advisors to the Scheme Manager to enable the Scheme Manager to carry out the Scheme Manager's functions under the MERFP Act. Your personal information will not otherwise be disclosed to any other third party without your consent, unless authorised or required by law.
