		Cheque <input type="checkbox"/>		

### Section 2 – Steps taken to acquire land

- The following details must be included on a sheet attached to this application and labelled “Section 2”. These details include:
  - the steps taken by the applicant:
    - (a) to become the owner of the land, or be granted an easement, or
    - (b) to obtain the owner’s permission to enter the land for the purpose of constructing or operating a pipeline under the *Petroleum and Gas (Production and Safety) Act 2004* for the licence; or
    - (c) to obtained the owner’s permission to enter the land for the purpose of constructing or operating a petroleum facility under the *Petroleum and Gas (Production and Safety) Act 2004* for the licence.

### Section 3 – Additional Requirements

- The following details must be included on a sheet attached to this application and labelled “Section 3”. These details include: 
  - when construction is likely to occur in relation to the land the subject of this application, and
  - reasons why the granting of this permission would be in the public interest.

### Section 4 – Additional supporting information

- Details about any other relevant matters you may wish the Minister to consider may be included on a sheet attached to this application and labelled “Section 4”.

## Question 3 – Obligations and declaration

**WARNING:** Giving false or misleading information is a serious offence.

- I have read and understood the **resource guides** and *resources legislation*.
- I understand my obligations as an applicant/holder for the permit.
- I have truthfully declared all relevant details requested of me in this application.
- If any part of this form has been completed with the assistance of another person, I declare that the information as set down is true and correct and has been included with my full knowledge, consent and understanding.

**Note: if this form is being signed by a person other than the current registered holder, a letter of authority or power of attorney documents must be provided with this application.**
