Participate in the national stakeholder survey

The Intergovernmental Committee on Surveying and Mapping (ICSM) has released a [short online national survey](#) to measure the current level of knowledge and understanding of GDA2020 – Australia’s new national datum. The results will be used to inform how the new datum is implemented across the country, including further resources we could develop to assist your organisation in preparing for change.

The [survey](#) should take less than 15 minutes to complete and is open until ***Friday, 22 December.***
