

Undermining search request

Disclaimer: The historic information relating to abandoned mines held by the Department is known to be incomplete, and its accuracy cannot be guaranteed. There is the possibility that additional mining may have occurred which has not been recorded.

Whilst all care has been taken in the preparation of the abandoned mines information, take notice that the State of Queensland (Department Natural Resources Mines and Energy) does not guarantee the reliability of the information nor of it being suitable for any particular purpose and disclaims all responsibility and all liability (including without limitation, liability in negligence) for all expenses, losses, damages (including indirect or consequential damage) and costs which you might incur from the use of or reliance upon such information.

Please note:

- Search request is **free** of charge
- Incomplete or incorrect forms will **delay** processing.
- Each lot and plan must be detailed in their **own section** on the form.
- Each supplied drawing must **clearly reference** the lot/plan that it relates to.
- If this is a **new** parcel of land/partition, please include the **parent** lot and plan.
- This form and any additional supporting documentation can be **emailed** to us
- We can only accept one **(1)** reference number per submission
