

Entry notice for private land

This template is produced by the Queensland Department of Natural Resources, Mines and Energy to assist resource authority holders with a standard notice that is required prior to entry on land to undertake activities on the resource authority. This is a template form and is not an approved form. The resource authority holder is required to provide an appropriate notice prior to entry and comply with the requirements of Chapter 3 (Land Access) of the *Mineral and Energy Resources (Common Provisions) Act 2014*
