

Application form

Strategic cropping land trigger map - Map amendment

Use this form if you think the strategic cropping land (SCL) trigger map does not represent the actual extent of SCL in your particular area of interest. Please email or send the form to the Department of Resources business centre listed on page 4 of this form.

Guide for applicants

If you have any queries about how to complete this form correctly, please contact the Department of Resources using the contact details provided at the end of this form.

Specific information requirements

1. Applicant details

Name:		ABN (if applicable)	
		ACN (if applicable)	
Address:			
Suburb:		Postcode:	
Phone:	Fax:	Email:	
There is more than one applicant for this application and the additional applicant(s) details have been identified in Appendix 1 of the form.			

2. Contact person for this application

Name:		ABN (if applicable)	
		ACN (if applicable)	
Address:			
Suburb:		Postcode:	
Phone:	Fax:	Email:	

The contact person may be a consultant or some other person acting on behalf of the applicant. If a contact person is nominated, all dealings and correspondence with the applicant(s) will be through the contact person.

Strategic cropping land trigger map —Map amendment

3. If known, contact details of owner(s) of the land for this application.

The applicant is the sole owner of the land OR
Contact details for the known owner(s) for the land are listed in Appendix 2.

List the names and contact details of all known owner(s) for the land subject to the application, other than the applicant. This is anyone that has an entitlement to collect rent for the land or holders of a resource authority issued under a resource Act.

4. Type of application

Correction of obvious map error ¹ . Please complete sections 8, 10, 11 and 12 and provide evidence of the authority for the activity/infrastructure that disturbed the SCL (for example – Environmental Authority, Development Permit). OR
Criteria-based map amendment please complete sections 6 to 12 inclusive.

5. The land the subject of this application is located in (tick all that apply):

Western Cropping zone	Darling Downs zone	Coastal Queensland zone
Granite Belt zone	Wet Tropics zone	

The Strategic Cropping Land trigger map only applies in these zones.

Refer to the QLD Government website (<https://business.qld.gov.au>) to determine where the land subject to the application is located. (Search for 'SCL trigger map').

6. Application fee

The application fee is: \$	
---------------------------------	--

You may pay your application fee via cheque, money order or credit card. Select the payment method below.

Payment by cheque or money order made payable to the Department of Resources (attached) OR
Please contact me (the applicant) for credit card payment Phone number:

The applicable fee can be found on the QLD Government website <https://business.qld.gov.au>. (Search for 'SCL trigger map').

7. Application area details

The resource tenure/s I am applying over (if applicable) are: AND
I have listed below all of the plan details for the land that is subject to this application.

Please attach additional sheets if required.

¹ An obvious mapping error is an area for which SCL criteria assessment is not required and is easily visible on an aerial or satellite image. Examples include existing open cut mines, power stations, major dams, quarries, licensed wastewater storages, holding ponds and airports.

Strategic cropping land trigger map —Map amendment

8. Assessment criteria for the land

Using the criteria in Schedule 3 of the Regional Planning Interest Regulation 2014 (RPI Regulation) and the *Regional Planning Interest Act 2014* (RPI Act) guidelines on the Department of State Development, Infrastructure, Local Government and Planning website <https://planning.statedevelopment.qld.gov.au/> for assistance, land can be confirmed as not meeting the strategic cropping land criteria if it fails at least one of the eight (8) criteria in Schedule 3.

If applicable, please identify which of the eight (8) criteria area assessed, and relevant information included (e.g. site data sheet², laboratory analysis), in this application to support the land being, or not being SCL. Please provide this information in PDF or hardcopy format.

Slope	Soil wetness
Rockiness	Soil pH
Gilgai microrelief	Salinity
Soil depth	Soil water storage

9. SCL map requirements

Please provide a map(s) of the subject land, made at a scale which shows the areas of SCL proposed to be added or removed.

Assessment area plan attached (in PDF or hardcopy)

Using the RPI Act 08/14 guideline for assistance, it will be of assistance to provide a map that delineates mapping units based on the criteria in schedule 3 of the RPI Regulation. It will also be beneficial to provide a map(s) that shows proposed SCL and non-SCL boundaries. If the application relates to an obvious error, provide an — aerial/satellite image that clearly shows the existing infrastructure or disturbance.

10. Spatial data

To ensure that the information supplied can be accurately positioned, it is recommended that spatial information is provided. It is recommended that this spatial information is in the form of the electronic map of assessment site locations, and proposed SCL and non-SCL boundaries. Please indicate which format spatial data are provided in:

ArcGIS shapefile (*.SHP)
Google (*.KML or *.KMZ)
MapInfo (*.MIF)
AutoCAD drawing exchange format (*.DXF)

Please note: All coordinates/spatial files should be provided in the GDA2020 datum (or WGS84 in some GPS units).

² Examples of site data sheets for SCL assessments are shown in the criteria and guidelines available on the <https://planning.statedevelopment.qld.gov.au/> website.
