

Application form

Strategic cropping land trigger map - Map amendment

Use this form if you think the strategic cropping land (SCL) trigger map does not represent the actual extent of SCL in your particular area of interest. Please lodge the form at a Department of Natural Resources and Mines (DNRM) Business centre listed on page 4 of this form.

Guide for applicants

If you have any queries about how to complete this form correctly, please contact the Strategic Cropping Land Unit using the contact details provided at the end of this form.

Specific information requirements

1. Applicant details

Name:		ABN (if applicable):	
		ACN (if applicable):	
Address:			
Suburb:		Postcode:	
Phone:	Fax:	Email:	
<input type="checkbox"/> There is more than one applicant for this application and the additional applicant(s) details have been identified in Appendix 1 of the form.			

2. Contact person for this application

Name:		ABN (if applicable):	
		ACN (if applicable):	
Address:			
Suburb:		Postcode:	
Phone:	Fax:	Email:	

The contact person may be a consultant or some other person acting on behalf of the applicant. If a contact person is nominated, all dealings and correspondence with the applicant(s) will be through the contact person.

Official use only		
Date received:	Rile ref.:	Project ref.:
Complete form:	Correct AA:	Complete fee:
Administering region:	<input type="checkbox"/> South <input type="checkbox"/> Central <input type="checkbox"/> North	
Entered by [Signature]:		Date:

3. If known, contact details of owner(s) of the land for this application

<input type="checkbox"/> The applicant is the sole owner of the land	OR
<input type="checkbox"/> Contact details for the known owner(s) for the land are listed in Appendix 2	

List the names and contact details of all known owner(s) for the land subject to the application, other than the applicant. This is anyone that has an entitlement to collect rent for the land or holders of a resource authority issued under a resource Act.

4. Type of application

<input type="checkbox"/> Correction of obvious map error ¹ . Please complete sections 8, 10, 11 and 12 and provide evidence of the authority for the activity/infrastructure that disturbed the SCL (for example – Environmental Authority, Development Permit)	OR
<input type="checkbox"/> Criteria-based map amendment please complete sections 6 to 12 inclusive	

5. The land the subject of this application is located in (tick all that apply):

<input type="checkbox"/> Western Cropping zone	<input type="checkbox"/> Darling Downs zone	<input type="checkbox"/> Coastal Queensland zone
<input type="checkbox"/> Granite Belt Zone	<input type="checkbox"/> Wet Tropics zone	

The Strategic Cropping Land trigger map only applies in these zones.
Refer to the DNRM website (<https://www.dnrm.qld.gov.au/>) to determine where the land subject of the application is located.

6. Application fee

The application fee is: \$

You may pay your application fee via cheque, money order or credit card. Select the payment method below.

<input type="checkbox"/> Payment by cheque or money order made payable to DNRM (attached)	OR
<input type="checkbox"/> Please contact me (the applicant) for credit card payment	Phone number:

The applicable fee can be found on the DNRM website <https://www.dnrm.qld.gov.au/>

7. Application area details

<input type="checkbox"/> The resource tenure/s I am applying over (if applicable) are:	AND
<input type="checkbox"/> I have listed below all lot on plan details for the land that is subject to this application.	

Please attach additional sheets if required.

¹ An obvious mapping error is an area for which a SCL criteria assessment is not required and is easily visible on an aerial or satellite image. Examples include existing open cut mines, power stations, major dams, quarries, licensed wastewater storages, holding ponds and airports.

8. Assessment criteria for the land

Using the criteria in Schedule 3 of the *Regional Planning Interest Regulation 2014* (RPI Regulation) and *Regional Planning Interest Act 2014* (RPI Act) guidelines on the Department of Infrastructure, Local Government and Planning website www.dilgp.qld.gov.au for assistance, land can be confirmed as not meeting the strategic cropping land criteria if it fails at least one of the eight (8) criteria in Schedule 3.

If applicable, please identify which of the eight (8) criteria are assessed, and relevant information included (e.g. site data sheet², laboratory analysis), in this application to support the land being, or not being, SCL:

<input type="checkbox"/> Slope	<input type="checkbox"/> Soil wetness
<input type="checkbox"/> Rockiness	<input type="checkbox"/> Soil pH
<input type="checkbox"/> Gilgai microrelief	<input type="checkbox"/> Salinity
<input type="checkbox"/> Soil depth	<input type="checkbox"/> Soil water storage

9. SCL map requirements

Please provide a map(s) of the subject land, made at a scale which shows the areas of SCL proposed to be added or removed.

<input type="checkbox"/> Assessment area plan attached (in PDF or hardcopy)

Using the RPI Act guideline for assistance, it will be of assistance to provide a map that delineates mapping units based on the criteria in schedule 3 of the RPI Regulation. It will also be beneficial to provide a map(s) that shows proposed SCL and non-SCL boundaries. If the application relates to an obvious error, provide an – aerial/satellite image that clearly shows the existing infrastructure or disturbance.

10. Spatial data

To ensure that the information supplied can be accurately positioned, it is recommended that spatial information is provided. It is recommended that this spatial information is in the form of electronic map data of assessment site locations, and proposed SCL and non-SCL boundaries. Please indicate which format the spatial data are provided in:

<input type="checkbox"/> ArcGIS shapefile (*.SHP)
<input type="checkbox"/> Google (*.KML or *.KMZ)
<input type="checkbox"/> MapInfo (*.MIF)
<input type="checkbox"/> AutoCAD drawing exchange format (*.DXF)

Please note: All coordinates/spatial files should be provided in the GDA94 datum (or WGS84 in some GPS units).

11. Attachments

Attachment reference	Details of evidence (e.g. Site data sheet, laboratory analysis, site plans, etc.)	Comments

Please attach additional sheets if required.

² Examples of site data sheets for SCL assessments are shown in the criteria and guidelines available on the www.dilgp.qld.gov.au website.

Declaration

I declare that the information contained in this document, including all appendices, is true and correct to the best of my knowledge, information and belief.

Applicant's signature: <input style="width: 95%; height: 25px;" type="text"/>	Applicant's name:
Applicant's position and company (if applicable):	Date:

Where the applicant is a company, this form is to be signed by a person authorised (in writing) to sign for that company.

Privacy statement

The Department of Natural Resources and Mines is collecting the information on this form for the purposes of assessing an application. All information supplied on or with this application form may be disclosed publicly in accordance *Right to Information Act 2009* and the *Evidence Act 1977*. Your personal details will not be disclosed to any other third party without your consent unless required to do so by law.

Please return your completed application form, together with all required information **addressed to:**
